

Wastewater Compliance Services

The treatment of wastewater is essential to ensuring public health and clean water. **Alliance Environmental Group (AEG)**, an F.W. Webb company, can help you meet the demanding challenges of managing industrial and municipal wastewater. We provide cost-effective solutions for a wide range of wastewater compliance services including permitting, facility inspections, sampling, and regulatory preparation.

Staffed by highly experienced scientists and engineers, we are here to help you navigate through the regulatory process and improve your overall treatment process. Our services extend across the Northeast and beyond.

Wastewater Services:

- Wastewater management assessment, disposal profiling, and other compliance services
- Treatment system evaluation and design
- National and state discharge permitting, compliance, and reporting
- Industrial pretreatment evaluation and optimization
- Assistance with the installation and startup of treatment system components
- Routine compliance sampling and facility inspections
- Wastewater permit support including renewals and changes to equipment and/or processes
- Evaluation of potential odor control options and other aesthetic improvements
- Client representation in meetings with regulatory agencies
- Correspondence with public parties, municipalities and state regulators
- Wastewater system operation and maintenance activities
- Treatment system troubleshooting and assistance with repairs and/or equipment upgrades

Alliance Environmental Group provides a wide range of environmental testing, remediation and engineering consulting services. Engineering and scientific experts from Alliance work closely with federal, municipal, institutional, industrial and commercial customers. Our comprehensive list of professional services covers all your environmental and engineering needs. This includes assessments, facility management, regulatory compliance, permitting, auditing and more. Helping clients since 2001, Alliance Environmental Group joined the F.W. Webb Company in 2016. Alliance is committed to addressing your needs efficiently and cost-effectively.
